

About

Take a moment to get to know the man behind the madness. Mr. Troy began working as a professional dating coach for the exclusive, highly successful dating company, Real Social Dynamics. He was able to work with men ranging in age from 18 to 55 years old, showing them how to attract and meet the type of women they wanted. After studying his own successes with women, he was able to teach key "strategies" that proved to help with everything from the initial approach, finding attraction, building rapport, and escalating sexual pursuit. It seemed as though he had tapped into a fountain of knowledge regarding women and sex, and was eager to share his secrets with other men.

With his special brand of charm, and the ability to travel all around the world, Mr. Troy has successfully picked up scores of women in several different time zones, on several different continents. On many occasions this international party boy has been flown to Vegas on private chartered jets courtesy of his clients, to orchestrate an extraordinary night out with incredible women, and a fabulous social scene. Currently, Mr. Troy is having a reality show pitched based on his real life trysts.

What it comes down to.... Mr. Troy is a bad boy with skill.

Ladies, it's your turn to benefit from the knowledge this man has to offer.
